**Rich in natural
electrolytes, helps
keeping human
body rehydrated
and delay
exhaustion**

NATURAL KING COCONUT WATER

KingCo

Perfect thirst quenching sports drink that helps keeping human body rehydrated and delay exhaustion ,can be used as a refreshing drink due to its isotonic composition in balancing body & electrolytes.

Rich in vitamin C, it could be effectively used as an important dietary antioxidants. Presence of ascorbic acid in king coconut water found to have anti-ageing effects on skin care.

The higher osmolality of king coconut water directly influences on rapid intestinal absorption, which is mainly governed by carbohydrates and minerals. Therefore, king coconut water is a good source for blood sugar restoration and to stave-off hunger

Magnesium found in king coconut water helps maintaining lower blood sugar levels against Type II diabetes due to increased insulin sensitivity.

It was used to facilitate blood circulation in the kidneys and causes profuse diuresis. The presence of L-arginine in king coconut water found to have cardio protective effect, which favors relaxation

KingCo
